

- 1) Clothes lines are only allowed "up" when in immediate use.
- 2) A fire ban includes all outside burning, regardless of size or location, until otherwise posted.
- 3) Pets must be leashed or securely penned onsite, quiet, under the control of their owner at all times while walking, thoroughly cleaned up after with waste properly disposed of, and owners must comply with all additional local and state regulations, including vaccinations and id tags, prior to bringing the pet onto this property. There is a maximum of two (2) dogs per site. Visitors are not allowed pets.
- 4) Only readily accessible areas will be mowed. If, at lawn maintenance discretion, access is blocked or difficult to obtain then it will be the campers' responsibility to clear for access or maintain proper care of the site. All personal power, cable and phone lines etc. are to be buried or removed by the camper to avoid damage. Check with the Office before breaking ground on any project to ensure your safety.
- 5) No construction is to take place without prior written permission.
- 6) The dumpster has posted rules, please be familiar with them. Any trash generated outside of the season dates is the campers' responsibility, as is storage and cleanup of any trash on site. Never remove items from the dumpster.
- 7) All vehicles must be driven at reasonable speeds for the conditions and location. Failure to do so will result in verbal or written warning with possible punitive or other penalties for violations.
- 8) Car tags/stickers are not transferable and must be visible while parking on Head Beach property, this applies to all vehicles including ATV's and golf carts.
- 9) Be aware of the hunting seasons and respect hunters you may encounter in the spring and fall.
- 10) There are two (2) cars allowed per site. There is to be no loaning, renting, etc. of space to others not actually, physically visiting you. Visitors must be parked on your site.
- 11) The bathrooms are for the disposal of immediate natural waste and paper, (no diapers, hygiene products etc. allowed into the system). Stored waste must go to the dumping station.
- 12) Trailers must be registered in the Town of Phippsburg.
- 13) There is a 35 foot safety zone around the brush pile located south of the workshop. There is no dumping of anything allowed without prior approval.
- 14) The road from sites 43-46, Cattail Drive, is to be accessed only from Cliffstone Drive and is not a thru-way except for campground employees and other specific designees.
- 15) No harassing of wildlife, either from a vehicle or on foot.
- 16) At the dumping station:
  - A) All waste must be treated with a State approved chemical break down and deodorizing agent; formaldehyde is not allowed into the system.
  - B) All users must possess and use the appropriate discharge hose and proper garden hose fitting. If there is a spill/leakage anywhere on the property the camper is responsible for the immediate and complete cleanup of the area.
  - C) The hose is to be returned to the reel, the faucet shut off, and the cap to the trap shut when you are finished. Done correctly, there should be no water on the ground or cement apron. Never use the station prior to or after the season. Failure to follow these rules may result in eviction.
- 17) Gray water is not allowed onto the ground, failure to comply may result in eviction.
- 18) The campground season is from Memorial Day Weekend until September 15. You must be disconnected from the water and electric hook ups outside of these dates unless you have prior written permission, this includes sites with individual meters. There is a \$25.00 violation fee per incident and campground maintenance will disconnect the hook up upon discovery.
- 19) Currently registered seasonal site holders are permitted free access to our beach during the season. Parking is off from the Head Beach Road; a valid parking permit is required.
- 20) Please be respectful of your neighbors and observe quiet hours, 11pm to 7am, and be reasonable with noise level at all times.
- 21) There are to be no extra campers, RV's, tents etc. set up on your site.
- 22) Respect the occupancy limits.
- 23) The camper is responsible for the conduct of their guests.
- 24) Emergency messages, at our discretion, will be delivered as soon as possible; all other messages will be held at the Office for seven days and will be the camper's responsibility to check.
- 25) Drones are not allowed to operate on or over this property, this includes the beach.
- 26) Fireworks and Japanese Lanterns are not allowed on their property, this includes the beach.
- 27) By owning, operating or riding in a low speed vehicle and/or ATV on this property, the owner/operator/passenger(s) recognize and accept that it is the individuals responsibility for the safety of themselves, pedestrians, pets and property and furthermore, that the property owner shall be held blameless and indemnified from any loss, accident, damage or injury.
- 28) You must have a valid license and insurance to operate any vehicle on this property. There are additional rules, available at the office, for operating on this property. Failure to follow these rules may result in the offending vehicle being banned from this property and the loss of privilege to operate a vehicle on this property.
